**Requirements:** Students will be accepted into the program at the age of 14 years and 10 months for the 8-hour classroom session; however, no student will be allowed to operate a motor vehicle until they have reached their 15<sup>th</sup> birthday. As required by law, students must have in their possession while driving, any corrective lenses required by the Department of Motor Vehicles.

**Tuition and Fees:** The fee for 14-hours of instructions is \$275<sup>00</sup>. Full tuition must be paid prior to the start of class. The program includes an **8-hour classroom session and (3) two-hour behind-the-wheel driving sessions (six hours of total driving)**. Students who do not show up for their scheduled drive will be rescheduled and subject to a \$25.00 rescheduling fee. Any applicable rescheduling fee must be paid prior to the student being rescheduled. All fees must be paid in full prior to receiving a driving certificate. There will be a \$35.00 service for any returned checks.

**Refunds:** After completion of the 8-hour classroom instruction students are not eligible for a refund. However, a prorated refund may be given for any remaining behind-the-wheel instructions.

**Course Certificate:** Students who successfully complete the 14-hours of instructions offered by Maverick Driving Academy will receive a certificate from the school and a signed PDLA form from the SCDMV, indicating successful completion of a driver's education class.

I am willing to put forth the effort it takes to become a skilled driver. I understand the commitment I am making by becoming licensed to operate a motor vehicle. I will dedicate myself, practice driving, and be respectful to fellow students and the Maverick Driving Academy staff.
